

90-day Guarantee*

This serves to certify the location listed has cleared a visual inspection for microbial growth. And that Break the Mold, LLC has performed all services as contracted by the client. This certifies that 99.99% of all known mold spores, mycotoxins, viruses, and bacterial contaminants were effectively neutralized.

At Break the Mold, LLC we are confident in our proven processes and products we use to remediate mold. This location will have a normal or expected ratio of indoor versus outdoor spore counts for air samples analyzed by an accredited third-party laboratory, or Break the Mold will perform a re-fogging treatment.
